These are the same identical bulbs that I have been selling until now at 25 for \$3.00. I guarantee that every collection will contain EVERY ONE OF THESE 25 "WORLD'S BEST" GLADIOLUS, as determined by the official ballot of the American Gladiolus Society (See descriptions on pages 4, 5, 6 and 7 of my Spring Catalogue). In addition to this, each collection will contain EVERY ONE OF THE 12 "GLADIOLUS OF TOMORROW", listed on page 8 of my catalogue. These two groups of 37 bulbs alone have been sold UP TO NOW for \$4.75. In addition there will be 23 bulbs of other choice varieties of which I do not have sufficient stock to list them; making a total of 60 fine large flowering size bulbs, unlabelled, for only \$2.00, with one "Sweet and Lovely", the new FRAGRANT Gladiolus, FREE. A PRICE OF \$5.00 A BULB WOULD BE JUSTIFIED FOR THIS NEW, FRAGRANT GLADIOLUS, BUT I AM GIVING IT FREE WITH THIS COLLECTION AS AN ADDITIONAL INDUCEMENT.

Bishop John J. Sarbach wrote me: "Hurrah for Wayman's Gladiolus. First Prize Winners of City of Montpelier and Bear Lake County 'Fair'. My Glads were judged finest in Eastern Idaho. Hundreds of flower lovers were astonished at the colors, size of flowers, and length of spikes, 50 inches tall and most perfect on exhibition. These Glads were grown over 6000 feet elevation near top of Rockies. Besides First Prize Winners, one of my baskets of Glads was judged by Special Judges of Salt Lake City, Utah, and was given special prize for the most outstanding flowers on exhibition at the 'Fair'. I have never had finer, healthier bulbs than those purchased from you."

HYBRID TIGRIDIAS -- 8 for \$1.25; 18 for \$2.00 -- POSTPAID

The vivid Tigridia Pavonia is native to Old Mexico, and these new Hybrids that I am offering are the finest in the world of these very showy and very rare flowers. All colors included. There is still time to order them, but my stock will not last long.

Mrs. Elmer Rawlins of Alleghany, N. Y., writes: "The Tigridias are the prettiest flowers I have seen yet. The first blossom was worth what I paid for the whole lot. They were so much prettier than I thought they would be. Among mine, I have yellow, sort of a tan, pink and red." Mrs. Rawlins' letter is typical of hundreds of letters I have received.
